**Allied Forwarding** was incorporated in July 1986. Since it's opening the company has experienced a steady growth, mainly thanks to our committed staff and that of our overseas partners.

The company's philosophy has always been based on providing high quality and personal service at a competitive price.

Our ongoing strategy is to provide a top quality, professional and efficient service to each and every customer. We will strive to attain this strategy by constantly monitoring our service levels, requesting feedback from both clients and overseas partners.

*We assure you our best attention at all times.*
